

Inauguration Event

Wednesday 13 October, 2010

Session Chair Ivan Damgård

11.30-12.30 Lunch Break

12.30-13.15 Hervé Moulin - Rice University *"Impartial decision among peers"*

13.15-14.00 Peter Bogetoft – Copenhagen Business School *"Missing Markets"*

14.00-14.45 Jens Leth Hougaard - Copenhagen University *"Rationing with rights"*

14.45-15.15 Coffee/tea/water, fruit & cake

Session chair Peter Bro Miltersen

15.15-16.00 Felix Fischer - Harvard University *"Mechanisms for Large-Scale Kidney Exchanges"*

16.00-16.45 Lance Fortnow - Northwestern University *"Bounding Rationality by Computational Complexity"*

16.45-17.30 Kevin Leyton - University of British Columbia *"Computational Mechanism Analysis"*

Inauguration Event

Thursday October 14, 2010

Session Chair Peter Bogetoft

9.30–10.15 David Parkes - Harvard University *"Mechanism Design and Accounting to Enable Efficient Peer Production and Spectrum Sharing"*

(Joint work with Ian Kash (Harvard), Michel Meulpolder (TU Delft), Rohan Murty (Harvard), Jie Tang (UC Berkeley) and Sven Seuken (Harvard))

10.15 –11.00 Ivan Damgård - Aarhus University *"How to compute securely - even if you trust no one but yourself"*

11.00–11.15 Coffee/tea/water & fruit

11.15-11.45 Kurt Nielsen - Copenhagen University *"Selected Challenges in Multi-attribute Procurement Auctions"*

11.45 -12.15 Trade Extensions by Arne Andersson *"Advanced Negotiations - From Theory to Practice"*

12.15-13.15 Lunch Break

Session Chair Kim Allan Andersen

13.15–13.45 Dong Energy by Anders Ørsted *"DONG Energy's Research Projects"*

13.45–14.15 Innovasion by Chris Mora-Jensen *"Electronic Tendering - Summary of 15 years experience a*

an overview of future challenges"

14.15–14.45 Danish Competition and Consumer Authority by Carsten Smidt *"CFEM can improve regulation and competition"*

14.45 –15.15 Energinet.dk by Lasse Sundahl *"Energy markets are challenged by intermittent renewable energy"*

15.15-15.45 Partisia by Jakob Illeborg Pagter *"Using market design and cryptography to enable new business"*

16.00 – 18.00 Official CFEM Inauguration

Session Chair Ivan Damgård

16.00 – 16.10 Andreas Roepstorff – Program Committee for Strategic Growth Technologies

Speech by Erik Meiniche Schmidt, Dean of Faculty of Science and Engineering followed by reception.

Inauguration Event

Friday October 15, 2010

Session Chair Kurt Nielsen

10.00-10.45 Ronald Cramer – CWI – *“Special Codes in Secure Multi-Party Computation and Complexity, and Their Relation to Algebraic Geometry”*

10.45-11.30 Jesper Buus Nielsen - Aarhus University *“How to (not) Analyze Cryptographic Protocols using Game Theory”*

11.30-12.15 Peter Bro Miltersen - Aarhus University *“Recent results on Howard’s algorithm”*

12.15 Wrap Up
